

Simplify info 2020

2020

Foundation

Born from a masters discipline from the University of Porto called Project Management Laboratory, Simplify was founded in 2020.

Mission

“To help remove the burden of everyday tasks; To help promote a better understanding on unapparent topics.”

Vision

“To make information more easily accessible.”

With our goal being facilitating everyone's life, Simplify resembles the way our company fixes our clients everyday problems: simply. With Simplify you'll be able to find a quick and easy way to solve any burden of your everyday tasks.

André Ramada - CEO

HQ

Location

Our HQ is currently located in FEUP building in the city of Porto, Portugal. But our team is prepared to work remotely with clients worldwide.
